

# Whom do you say Jesus is?

By David J. Stewart

In Matthew 27:63, evil men called Jesus a liar and a deceiver. In John 7:20 and John 8:52, evil men called Jesus demon-possessed. In John 10:20, evil men called Jesus crazy. In John 8:41, evil men called Jesus a bastard.

Nearly 2,000 years after Jesus walked this earth, evil men today still portray the Savior as being an adulterer, a conspirator, a bastard, crazy, a homosexual, a fraud and a liar.

Whom do you say Jesus is—Liar, lunatic or Lord?  
Jesus is precious!
